## **WORKING EXPERIENCE**

**August 2011- To date:-** Working with Maseno University School of Medicine Department of Medical Biochemistry as a Laboratory Technologist.

Here my duties and responsibility include guiding medical students in medical biochemistry practical and research

**July 2008 – July 2011:-** Worked with Eastern Deanery Aids Relief program as a Laboratory technologist, duties and responsibility included:

- Performing different laboratory tests e.g. LFTs, RFTs, Lipid profile, complete blood count, CD4/CD8 Immune-assay, TB diagnosis through phenol aura mine staining technique (fluorescence microscopy)
- Maintaining the right laboratory standard operation procedures

- Performing both internal and external quality controls
- Trouble shooting in machines and equipment
- Proper maintenance of machines and equipment among other duties.

**July 2005 – June 2008:-** worked with ASKI medical clinic Nairobi as the Laboratory manager.

**Feb. – Nov. 2003:-** Attached in Moi Teaching and Referral Hospital for clinical practice. This enabled me to practice the skills learnt in class, acquire new skills (simple and complex) and necessary confidence and competence. During this period all the areas of study were covered in different departments of the hospital laboratory.

### **LEADERSHIP**

- Chairman Young Christian Students (YCS) St Mary's School Yala 1999.
- Organizing secretary Kenya Polytechnic Medical Students Association 2004.

### **HOBBIES**

Traveling, reading novels and medical journals, and socializing.

## **REFEREES**

1. Mr. Kola Malcolm Mbagulla

Laboratory Manager

Eastern Deanery Aids Relief Program

P.O. BOX 47351 – 00100 Nairobi

Tel. 0720850367.

2. Mr. Samuel Mutuku

Lecturer Hematology KMTC Meru

P.O. BOX 1484

Tel. 0710935127

3. Dr. Daniel Chacha

Smiles Medical Clinic

P.O. BOX 6141 - 00200 Nairobi

Tel. 0724443466
