RE: REGISTRATION FOR GRADUATION

As you are aware, the 21st Graduation ceremony of Maseno University is scheduled for early 2022. In that regard, all prospective graduands are required to make a formal registration in order to be considered for graduation, subject to fulfillment of all academic and financial requirements.

The registration for graduation form is available from the University website for downloading.

Note that, registration for graduation is **mandatory** and the duly filled form should be submitted to the office of Registrar Academic and Student Affairs (Wing A) before **29th October, 2021 at 4.00pm**. Be reminded that, anyone who fails to register will not be allowed to graduate.

Be reminded that, the University does not accept any **initials in names** and therefore all names must be written in full as will appear in the certificate and final transcripts.

Thank you.
